(Note: Any changes to previously issued standards are identified in the effective date guidance in each affected standard.)

#### **Classification and Measurement of Share-based Payment Transactions (Amendments to IFRS 2)**

IFRS 2 *Share-based Payment* has been revised to incorporate amendments issued by the International Accounting Standards Board (IASB) in June 2016. The amendments provide guidance on the accounting for:

- the effects of vesting and non-vesting conditions on the measurement of cash-settled share-based payments;
- share-based payment transactions with a net settlement feature for withholding tax obligations; and
- a modification to the terms and conditions of a share-based payment that changes the classification of the transaction from cash-settled to equity-settled.

The amendments are effective for annual periods beginning on or after January 1, 2018. Earlier application is permitted.
